EXPLANATION OF INTEREST CHARGE ON OPEN-END ACCOUNT

The INTEREST CHARGE on each open-end account shown on this statement is computed by multiplying the daily periodic rate by the daily balance of that account on each day of the billing cycle. The daily balance is determined as follows: For each day of the billing cycle we takethe balance of the account for the previous day, add any new loans and charges, and subtract any credits and payments made on that day. INTEREST CHARGES are also subtracted until you make a payment. This gives us the daily balance of your account for that day. The billing cycle is the time between each statement, which will be approximately one month.

Progress/plans narrative May/June 2025

At this time renovations have been completed and the following two additional DUPACO properties have been listed for sale (by Kelly Bemus of Skogman Realty):

1047 27th St NE – this property was listed, sold, and was set to close June 19, 2025, however, the buyer backed out at the last minute. It was immediately re-listed, and the price was dropped to \$180,000 upon advice from Kelly Bemus. There have been numerous showings and interest.

2916 Iowa Ave SE – this property sold and closed on June 12, 2025. The proceeds were used to pay off this DUPACO mortgage; all outstanding bills; and payment toward taxes.

This DUPACO property is being prepared for sale:

2021 Grande Ave SE - Due to strong local demand in the \$150,000-\$199,000 price point, we decided to sell this property. We are nearly done renovating and will finish preparations to sell this property for approximately \$180,000; we anticipate listing it by the end of June.

With the sale of these three properties, this should provide enough in net sales to be very close, if not meet the agreed-upon target amount of \$950,000.00 for the remaining mortgages as well as bringing taxes current.

This will leave 16 DUPACO properties with a current market value of approximately \$3,100,000 and a mortgaged amount of approximately \$950,000.00, which is 30.6% LTV. With the remaining six properties left after GSCU is paid off, the roughly \$1,100,000 in market value will give the entire portfolio a value of \$4,200,000.

Following the trustee's recommendation of returning to a single-family rental business and working toward that goal, we will then return to the priority of paying off GSCU and will turn to renovating 1719 Bever Ave SE to prepare it for sale in summer 2025.

This time has also been extremely busy with working on the 2025 Cedar Rapids-required inspection lists.
